About the author

Kim van Bastelaar was born on the 31st of July, 1982 in Bramsche (Germany). She studied Clinical Psychology at the Radboud University in Nijmegen. She graduated in 2005, after an internship at an addiction treatment centre (GGZnml), and developing and writing a thesis on a web-based treatment programme for claustrophobia. She worked as a research assistant on a project concerning lifestyle issues in out-patients of the department of General Internal Medicine, for the Amsterdam Medical Centre (AMC De Meren), Radboud University Medical Centre Nijmegen (UMC St.Radboud) and the Amsterdam Institute for Addiction Research (AIAR). In 2006, she started her PhD-project at the EMGO+ Institute for Health and Care Research and the Department of Medical Psychology of the VU University Medical Centre (VUmc) in Amsterdam. Currently, she is working as a post-doctoral researcher at the VU University Medical Centre, on projects concerning the implementation of the web-based Cognitive Behavioural Therapy diabetes-specific depression treatment, Diabetergestemd.nl.
